

**Supplement to the affidavit regarding
the use of generative IT/AI-supported language models**

In addition to the affidavit submitted, I hereby declare that in the preparation of this bachelor's/master's thesis* entitled

in the event of the use of generative IT/AI-supported language models, I have listed these tools in full in the overview of tools used, including their product name and type of tool, the type of use, and, if applicable, the respective prompts (see example table below), and have marked the relevant text passages in the thesis as having been written with AI-generated support. Furthermore, I assure that I have discussed the details with the supervisor of the work.

For information on the consequences of attempts at deception and making a false sworn statement, please refer to the affidavit. I have taken note of this information.
